REPORT OF EXAMINATION OF LIGHTER AND PACKAGING

CERTIFICATE NUMBER # LAA02-00541 is hereby issued for the lighter identified below:

SUBMITTED BY L.A. Lighter, Inc.
City of Industry, CA

LIGHTER IDENTIFICATION Eagle Torch Emoj Theme Torch (# PT113EJ)
(20 Lighters per Display Tray - 240 Lighters per Outer Box)

LIGHTER DESCRIPTION

The lighter is made of plastic, rounded rectangular in shape (2 5/8" x 1 5/8" x 3/4") with a fliptop & push-type gas control lever contained inside the lighter.

INNER & OUTER PACKAGINGS:

Twenty lighters are packed vertically in 4 rows of 5 each in a plastic tray with plastic cover on top. This is then packed in a chipboard counter display box 7.31" x 5.13" x 2.75" with chipboard header on top. Six display boxes for a total of 120 lighters are packed per layer in 2 rows of 3 each. Two layers for a total of 240 lighters are overpacked in a 4G corrugated fiberboard outer box 23.75" x 11.40" x 6.90", Gross Weight: 25.0 lbs.

LEAKAGE: Weight measurement shows that the rate of gas leakage from the lighter is about 2.5 mg/day at 100 °F.

CONCLUSION The lighter and packaging do meet and pass the specification test.

Thomas Chang
